

Eagles Child Care Center (ECCC). welcomes families to its Montessori community, with the purpose of promoting children's academic, emotional, and social growth. The center integrates Montessori principles, focusing not only on cognitive development, but also on independence, self-esteem, and respectful relationships. ECCC emphasizes hands-on learning, self-regulation, and encourages children to discover and enjoy their unique talents in an environment that cultivates curiosity and a desire to explore.

The center is committed to providing a safe, loving, and respectful environment of individual needs and family values, promoting a love of learning and essential values such as:

- **Respect:** Influences how children take turns and are educated in courtesy.
- **Responsibility:** Encourages personal responsibility and care for their belongings starting at age five.
- **Gratitude:** Develops appreciation for the world around them, contributing to mental health.
- **Honesty:** Children learn values by the example of honesty from adults.
- **Love:** Educators must demonstrate love for the diverse ages and personalities they support.
- **Perseverance:** Children are encouraged to overcome challenges, promoting resilience.
- **Creativity:** Educators tailor their lessons to concepts children can understand, fostering creativity.
- **Empathy:** Children are taught to put themselves in the shoes of others, developing emotional intelligence and compassion.

At **Eagles Child Care Center** children learn and grow in a fun and engaging environment through:

- **Independence:** Fostering self-confidence and decision-making by allowing children to make choices and learn at their own pace.
- **Critical Thinking:** Promoting curiosity, inquiry, and building connections to develop problem-solving skills.
- **Social Skills:** Fostering community and collaboration through mixed-age group interactions.
- **Creativity:** Providing opportunities for imaginative exploration to nurture self-expression.
- **Problem Solving:** Engaging in purposeful activities to develop intrinsic motivation and problem-solving skills.
- **Wellbeing and Resilience:** Supporting improved resilience and wellbeing in adulthood through the Montessori approach.

At Eagles Child Care Center (ECCC), we value your involvement in your child's learning process and encourage open communication between home and school. Your support and collaboration are essential to creating the best experience for your child.

We warmly encourage you to reach out with any questions, concerns, or suggestions. Together, we look forward to a year filled with meaningful experiences, celebrating your child's growth and development!

Thank you for choosing **Eagles Child Care Center (ECCC)**, we look forward to providing your child with a caring and enriching environment.
